

Enterprise Storage

Rapidly provision flexible, secure, pay-as-you-go enterprise-class storage for your changing data and infrastructure requirements.

Boost your infrastructure performance by adding premium-grade storage that supports any block, file, or object data type or protocol. Available in all Csquare markets and powered by Zadara, this on-demand solution provides OpEx-based primary and secondary storage for your Csquare-housed infrastructure.

zadara

Two Convenient Connection Options

Supported Data Types and Protocols

File

- Enterprise-class NAS, NFS and CFIS
- Active Directory
- Snapshots
- Replication

Block

- Snapshots
- Replication
- Multi-zone high availability
- Online volume migration
- Thin provisioning
- Block volumes (iSCSI)

Object

- Store, organize, access units of data with unlimited scalability
- Data protection
- Multi-tenant system with guaranteed resource isolation

Storage Benefits

Cost Efficiencies

Eliminate upfront capital expenses by only paying for storage you use. And avoid ingress and egress fees from storing data in the cloud.

Low Latency

Connect within the Csquare data center to avoid latency issues associated with connecting to the cloud.

Scalability

Scale seamlessly with business growth, allowing quick response to increasing data needs without major infrastructure changes.

Agility and Faster Time to Value

Eliminate performance bottlenecks and accelerate project timelines with flexible, on-demand provisioning for fluctuating workloads and project-based needs.

Advanced Security

Rest assured your critical data stays secure, compliant, and always available with built-in encryption, multi-tenant isolation, and immutable storage for ransomware protection.

Enterprise-grade Reliability

Benefit from high-performance, secure, and resilient infrastructure—without building or managing it yourself.

About Csquare

Csquare is a preeminent colocation provider with a proven track record of providing highly reliable data center services. Prioritizing security, reliability and superior customer service, Csquare offers flexible data center solutions backed by a 100% uptime guarantee for thousands of diverse organizations across all industries.
